

RD Certificate Number: EW1321

Intelligent Membranes PASSIVE PURPLE® EXTERNAL

Description

This is an assessment of Intelligent Membranes PASSIVE PURPLE® EXTERNAL a VOC free, liquid applied water based coating which dries to form a durable, flexible, watertight, weatherproof, UV resistant airtight and vapour breathable membrane.

Passive purple external is applied in 2 coats with an airless spray or paint roller which dries to form a flexible watertight membrane which is currently undergoing Passivhaus and Kiwa certification. The membrane forms a waterproof vapour open faced membrane which can be used to reduce uncontrolled air filtration, the product also achieves a reaction to fire classification of B-s1, d0 to EN 13501-1:2018.

Scope of Registration

Due to space limitations, the Registered Detail certificate should be consulted for the full scope of this registration.

Validity

This system has been checked for compliance in accordance with English and Welsh Building Regulations

Registration was first issued on 13/05/21 and is valid until 13/05/22 providing there are no amendments to applicable regulations.

Issue dated 13/05/2021
